Are CITATIONS CONFUSING?

Look at poor Gloomy Gus before he came to the library for help with APA – he’s sad and confused.

See his smile after we helped him? We can make you that happy, too!

Do you know the difference between works cited, reference, and bibliography pages?

Are you unsure about the proper way to format your paper?

Are you concerned about your in-text citations?

Come to a CITATION CLINIC

Sterne Library is here to help your BRAIN
