Mentoring

This bibliography contains resources about general mentoring and mentoring in education at both the K-12 and university levels. Call numbers are given for books, dissertations, and audiovisual resources available at Sterne Library. Call numbers ending with “eb” indicate an electronic book or electronic dissertation; the full text link for these electronic resources will be found in the catalog record. All print books listed are located on the third floor, unless otherwise indicated. The staff at the circulation desk will retrieve audiovisual resources. Journal articles are hyperlinked to the full text, if available in the Sterne Library collection. If a listed item is not available at Sterne Library, you may request it through Interlibrary Loan.
